Option 1 – Using Microsoft Excel: Basic to Advanced

Option 2 – Path to Becoming Director

When using GPS, do not get off before the Mercer Exit. Your GPS may direct you through Macon, however it is best to stay on I-75 until you get to the Mercer exit. Signs for further direction will be posted from there!

Orange arrow – Open Parking for Workshop Attendees

Nearby Dining Options

Macon is full of delicious, fun, and interesting restaurants that have great food and great atmosphere! You may use the following link for a full list of restaurants and eateries including full menu options and location:

Mercer Financial Planning Favorites:

- 1. Rookery** – During an era that saw Jimmy Carter ascend to the White House and Macon's own Capricorn Records release hit after hit making music history, the Rookery was just being born. Today the Rookery bustles on, serving Allman Burgers and Jimmy Carter shakes to Maconites and travelers from far and wide. Their burgers are DEEELICIOUS!!
- 2. Piedmont Brewery and Kitchen** – At Piedmont Brewery & Kitchen, don't expect the standard bar food on our menu. We are not just another hamburger place. Our chef creates a spin on familiar items with interesting ingredients and that is what makes ours the best brewpub food in Middle Georgia. In fact, our food is just as memorable as our brews. At Piedmont Brewery & Kitchen, you are guaranteed a unique flavor experience with every bite. Brisket is melt in your mouth. Brisket Bahn Mi is hands down the best item on the menu. Smoked wings are incredible.
- 3. Margaritas** – Right on Mercer's Campus! Local chain serving Jalisco-style Mexican dishes & margaritas in a casual atmosphere. They have the best salsa. I won't eat salsa anywhere else.
- 4. Downtown Grill** - English Steakhouse that specializes in prime cut Black Angus steaks, fresh pasta dishes, fish filets and decadent desserts. This fine dining restaurant also features a well-stocked bar that includes a vast array of scotches and bourbons. We also offer an extensive wine list by the glass or by the bottle and a large oak cigar humidor.
- 5. Ocmulgee Brew Pub** - handcrafts the best brews and burgers around. We have married craft beer with delectable gourmet burgers, hand-cut fries and superfood salads. Fun atmosphere.
- 6. Ingleside Pizza** – Hand tossed New York style pizza made with the freshest ingredients. One of Macon's favorites for over 25 years! Fun, family friendly atmosphere.
- 7. Just Tap'd** – Great Pub Menu
- 8. Parish on Cherry St.** - "Big Easy Flavor" Cajun style food; Patio seating, you must try the gator bites, and live music.
- 9. Growler USA** - Macon's Microbrew Pub, next door to the Lofts at Mercer Landing has great food! They have burgers, wings, salads, sandwiches, pasta, and they make their own salad dressing. They have the largest on tap craft beer selection in town, too!
- 10. Barefoot Tavern** – Bar and grill restaurant. You must try the spiral truffle parmesan fries and burger with a variety of toppings.
